AMBASSADOR EXTRAORDINARY AND PLENIPOTENTIARY  
PERMANENT REPRESENTATIVE OF JAPAN TO THE  
CONFERENCE ON DISARMAMENT**

The 1405th Plenary Meeting of the Conference on Disarmament

Geneva, 14 February 2017

Mr. President,

My delegation would like to refer to the DPRK's recent ballistic missile launch. It is unacceptable that the DPRK once again conducted a missile launch on February 12<sup>th</sup>.

It is not only a clear violation of relevant UN Security Council resolutions, including 2321, but also a provocation which undermines the peace and security of the region and international community, including Japan.

Therefore, we strongly condemn the launch and urge the DPRK to comply with the relevant UNSC resolutions and other international commitments without taking further provocative actions.

Thank you, Mr President.
